

Smart, interactive and ever-so-portable, tablets have revolutionised the way many of us work, learn and play and the modern classroom and workplace demands simplistic storage and charging for the devices. With a TabCabby Compact you can expect all our usual clever features while saving even more space with a smaller footprint. But don't be deceived by their size; they're still designed to securely store, charge and sync from 20 or 32 tablets, with or without cases.

The TabCabby Compact range provides the same innovative features as the larger LapCabby models, squeezed into a smaller space – they can be up to half the size.

## Reasons to Love LapCabby

**No matter the device** – We have a product to sync, store and transport them. Laptops, Chromebooks, Tablets, BYOD, 1:1, 2:1, 3:1 – we have you covered!

**What you see is what you get** – Our feature rich products come fully assembled and quite literally ready to roll...

**Built from scratch** – All our components are designed and manufactured in-house. We don't do off the shelf!

**Lifetime warranty** – On every LapCabby purchase - we know our design and build quality is unsurpassed!

**Rapid delivery times** – Our global network of partners spans 44 countries and all major continents - meaning no matter where you are we can get your LapCabby to you. Fast.

**Friendly service** – Just because we operate across the globe doesn't mean we have compromised our customer centric ethos.

## TabCabby Highlights

- Comprehensive safety testing – to the highest worldwide standards

- Sliding trays for horizontal storage
- Fully assembled for simple and rapid setup
- Efficient and silent air circulation
- Automatically cuts-off when device fully charged
- Innovative cable management
- Robust construction
- Competitively priced with Lifetime Warranty

## Other products you may like

1.

Ergonomic ABS handles make TabCabby easy to manoeuvre.

2.

Fitted with 4 x 100mm swivel, non-marking hospital grade rubber wheels (2 locking) making it easy to move.

3.

Inset coloured door handles prevent protruding parts.

4.

Dual point locking system with lock and key located on top of the unit to avoid key breakages. The double sided key has two sets of teeth making the locking system more durable, impossible to pick and substantially increase security.

5.

Rounded corner extrusions and rubber bumpers protect the walls and devices when in transit.

TabCabby 20-32V stores devices in 4 handy portable carry cases on sliding shelves for easy deployment (2 carry cases per sliding shelf). Adjustable dividers allow carry cases to accommodate 8 tablets without cases or 5 tablets with cases.

Cables are fed from the back power compartment through to the device via channels above the devices ensuring cables remain free from damage and preventing loss or damage.

Charges all devices simultaneously. **Power 7 Management System** manages the power consumption to ensure power surges do not occur and all devices charge efficiently. Power 7 features a sophisticated timer allowing three different charge schedules a day, 7-days a week.

Well placed side vents allow constant air circulation, so no fan is required and devices charge in silence.

IEC power cable plugs into the mains and are designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips.

**Charge only** with 2 power strip sockets on each side. Power strips turn on one at a time, 1.5 seconds apart to provide inrush surge protection.

Fully welded steel frame with weldmesh base for constant air flow. A 8 mm thick steel binding plate connects the heavy duty wheels to the frame to prevent loosening or buckling of the wheels.

TabCabby 20-32V (Charge Only)	Code	Number of Devices Can Hold	Trolley Dimensions	Device Compartment Size	
	TABCAB20-32V	20-32 tablets up to 13"	W705 x D556 x H1010mm 28" x 22" x 40"	With protective cases: W26 x D285 x H200mm 1" x 11.2" x 7.9"	Without protective cases: W12.6 x D285 x H200mm 0.5" x 11.2" x 7.9"
Materials	Heavy duty steel frame with strong MFC cladding				
Finishes / colours	LapCabby loves a splash of colour! Trolleys can be personalised to match school colours, differentiate trolleys for different subjects or grades or just for fun! Classrooms are colourful - why put up with a black or grey square box? TabCabby trolleys are available in blue				
Safety	<p>All products are tested to the highest standard worldwide.            USA: UL 60950-1/R:2011-12.            Canada: CAN/CSA C22.2 No. 60950-1/A1:2011-12.            Europe: EN 60950-1/A12:2011.</p> <p>Safety testing is a high priority to LapCabby. We don't release any products unless the trolley has been completely certified including electrics, materials, construction and components. Leading safety testing house we test the normal operating conditions of the product but also for faults, misuse, temperature, fire risk, electric shock and injury</p>				
Additional safety features	A <b>heat sensor</b> inside the Power7 automatically switches the unit off when the ambient temperature within a LapCabby reaches an unsafe level. An over heating device can be a fire risk so we have installed an additional heat sensor in every trolley. With the side vents and the weld mesh base our trolleys are kept cool around the clock				
FREE shipping	All our prices INCLUDE shipping! (For UK and US only)				
Fully assembled	Our products are delivered fully assembled. Or as we say ready to roll				
Additional extras	No hidden extras, what you see is exactly what you get, everything you need is included! Power7 timer and energy management system, cable management, robust rubber wheels. We make sure we include everything you need to have a safe, efficient and bright trolley in the classroom, including rubber protective mats for the devices to sit on and cable management				
Future proof	Yes, we have trolleys that accommodate laptops, Chromebooks and tablets at the same time and charge all devices simultaneously. It's handy to have a trolley that charges all sorts of devices all at the same time. The teachers laptop can be charged in the same trolley along side the students Chromebooks or tablets. Whether classroom devices get bigger or smaller, they'll fit in a LapCabby trolley for many years to come. Technology Cambionix future proofed				
Cable management and ease of wiring	Separate compartment safely stores cables, cable management and electrics away. Once unlocked by hidden lever, full access to the cables make it quick and easy to wire up. Having complete access to the cable management reduces the time it takes to set the trolley up and means you don't have to squeeze your hands into tight spaces. If a charger needs to be removed or you need to access the electrical compartment you don't want to have to unload the entire trolley. For safety reasons, a locked compartment to store the electrical components is important, plus cables can go missing if they are accessible from the front of the trolley				
Usable top surface	Yes				
Simultaneous charging	All our trolleys provide simultaneously charging! Additionally the Power 7 timer and energy management system has 3 programmable charging schedules per day, 7 days a week which can be programmed to work around the classroom schedule and manual charge is also available in between. (LapCabbys efficiently charges everything all at the same time. Charging electrical strips individually means the overall charging time takes 2, 3 or 4 times as long! Who has time for that?)				
Upgrades	LapCabby Connect upgrade gives each laptop or netbook/Chromebook quick and easy WiFi access. Ready 4 Connect option gives the same benefits as the LapCabby Connect, but allows you to use your own hardware - available on all Compact models				
Testing certifications	Safety tested to the highest level worldwide  				
Lifetime warranty	Lifetime warranty on all products and components, 5 years warranty on electrics. Product support for life! LapCabby offers the best warranty on the market (with no small print to consider. We make it easy to understand and we support our end users for the life of the product!)				

## About LapCabby

### Clever technology solutions that tick all the boxes

At LapCabby we understand that when it comes to storing and charging your devices you want something that looks good, won't let you down and above all is safe. We've been established over 20 years and in that time have worked tirelessly to develop products that meet the complex needs of a multitude of industries.

Our products may have changed over the years, the team has certainly got bigger and our company has gone from strength to strength, but our passion remains the same. Our commitment to customer satisfaction and high-quality products has earned us one of the best reputations in the industry. We pride ourselves on outstanding customer service and being available to our trusted partners all over the world whenever they need us. As a family run business, we rely on our team of great people to do this.

As technology has evolved, so has our product range. From laptops and chromebooks to tablets and mini devices, we've developed unique solutions to meet the specific needs of your devices. We recognise that technology is ever changing and therefore build products that will serve you well in to the future.
