

# iPad Charge & Store Trolley

## Compact, unobtrusive and easy to use

The zioxi iPad Trolleys and Cupboards provide the ability to charge & store 16, 20, 32 or 40 iPads and USB tablets - with cables presented and retained at the front of each shelf and all in a very compact, easily moved and unobtrusive unit.

### Key features:

- Charging using the manufacturer supplied AC adapters, all stored in a separate secured electrical compartment
- Cable management with only a short length of retained USB cable at the front - so cables are all neat & tidy, very simple to connect and can't go missing
- Choice of digital code lock (with master key override), RFID access card/fob or key locks
- Design & construction supports wireless device sync
- Doors fold back 270 degrees and held by magnetic latches
- Handle cut outs to help you steer, lockable doors and lockable castors
- Large shelf size to accommodate any standard case design, including the Griffin Survivor & Otterbox Defender
- Available in compact trolley or cupboard and charge & sync variants

# iPad Charge & Store Trolley

## Shelf dimensions:

The iPad trolley is designed to accommodate iPads, USB tablets and eReaders up to 10" screen sizes. The shelf aperture size (mm) is 310d x 210w x 40h (16 & 32) or x 30h (20 & 40) - big enough so you can leave your iPads and tablets in their cases, but best to check your device dimensions (including the power connector) before ordering.

|              |  |
|--------------|--|
| Construction | White melamine-faced MDF carcass and doors, green electrical compartment door. White compact laminate top with handle cut-outs (trolley versions only).  |
| Charge       | <p>Requires 1 power socket (UK and EU AC adapters supported, others by request).</p> <p><i>The orientation and size of AC adapters (plug tops) for Android tablets varies significantly. All adapters other than those with a sideways exit of the USB cable from the adapter will fit in our standard trolleys and cupboards. We have solutions for all adapter designs, so please contact us if you'd like to check suitability.</i></p> <p>Solutions which include integrated USB power available on request. Our iPad and Tablet trolleys are not suitable for devices with laptop brick style AC adapters - please see our Chromebook &amp; Laptop Trolleys.</p> <p><i>(Individual iPad &amp; tablet USB cables are required but not included).</i></p> |
| Warranty     | 5 years (2 years for electronics)  |
